

Research Attachment Opportunities at the Academy of Islamic Studies, Universiti Malaya

The Academy of Islamic Studies, Universiti Malaya, welcomes applications from international students, researchers, and academics who wish to undertake academic or research-related activities at the Academy.

Depending on the applicant's academic status and purpose of attachment, applications may be considered under one of the following categories:

1. Visiting Student

This category applies to applicants who are currently enrolled in a Master's or PhD programme at their home institution, regardless of their academic or professional position. Applications under this category are processed through the official application process managed by the Global Mobility Centre (GMC), Universiti Malaya. For eligibility requirements, application procedures, and guidelines, applicants may refer to:

<https://gem.um.edu.my/inbound-attachment>

2. Postdoctoral Fellow

This category is intended for applicants who have completed their PhD and wish to undertake postdoctoral research at Universiti Malaya. Postdoctoral Fellows may receive an allowance, subject to the terms and conditions of their appointment and assigned research responsibilities. Applications are managed by the Human Resources Department, Universiti Malaya. For eligibility requirements, terms and conditions, and application procedures, applicants may refer to:

3. Research Associate / Visiting Researcher

This category is generally intended for established academics who have completed their PhD, such as Senior Lecturers, Associate Professors, and Professors, who wish to be attached to the Academy of Islamic Studies, Universiti Malaya, for research collaboration, academic exchange, or other research-related activities. Applicants may submit their application directly to the Deputy Dean (Research and Innovation), Academy of Islamic Studies, Universiti Malaya, via email at api_ppp@um.edu.my.

Applicants are required to submit the following documents:

- a) Vetting Form
- b) Updated Curriculum Vitae (CV), including educational background
- c) Certified true copy of Identity Card / Passport
- d) Certified true copy of Academic Certificates
- e) Appointment letters for previous and current employment
- f) Any other relevant documents deemed important to support the application

Upon submission, the application will be reviewed by APIUM. Applications endorsed by APIUM will then be submitted for approval by the Deputy Vice-Chancellor (Research & Innovation), Universiti Malaya. Upon approval, the application will be processed by the Human

Resources Department, Universiti Malaya, in accordance with the applicable requirements and procedures.

General Information

Applicants are advised to identify the appropriate category based on their current academic status and intended purpose of attachment. Applicants should also ensure that all required documents and information are provided during the application process.
